Welbekend Fire Protection Association (WFPA) Questionnaire

As required by Act 101 to combat veld fires, WFPA is implementing its Fire Management Plan. Property owners or delegated persons must fulfill their responsibilities regarding fire preparation/preparedness:

1. Maintain Fire Breaks – (Chapter 4)
2. Readiness for Firefighting – (Chapter 5)

To assist the WFPA in this process, we request information regarding your individual fire plans. Kindly complete the questionnaire below:
